MEMORANDUM FOR THE RECORD

SUBJECT : Change of fund allotment and transfer of equipment to the

1. Reference is made to Contract No. SC-45-12 with the Parkin-Kiser Corporation, Norwalk, Connecticut. This contract provides for overhaul and modification of 16 MKI Tracking Cameras to a MK-II Configuration.

2. Contract No. SC-45-12 obligates \$87,800.00 chargeable to Fiscal Year 1958 AQUATONE funds. This obligation was concurred in by the Project Comptroller under letters to the Contractor dated 20 November 1957, SAPC-21457, 16 December 1957, SAPC-22364, 8 January 1958, SAPC-23103 and Memorandum for the Record dated 28 January 1958, SAPC-23825.

4. Certification of funds for this contract will be handled under the procedure approved by the Director of Central Intelligence on 15 December 1956, which in effect results in all 10(b) expenses involving issuance of Treasury Checks being accumulated in a separate account within the Finance Division. The amounts in the account will be periodically scheduled for certification of the vouchers by the Director. This procedure eliminates the necessity for a separate certification of authority under Section 10(b) of Public Law 110, 81st Congress, for each contract.
